SHEPPARD HARRINGTON

Hotel Andromeda Reaktion Books

The articles assembled in *Semblance and Signification* explore linguistic and literary structures from a range of theoretical perspectives with a view to understanding the extent, prevalence, productivity, and limitations of iconically grounded forms of semiosis. With the complementary examination of large theoretical issues, extensive corpus analysis in several modern languages such as Italian, Japanese Sign Language, and English, and applied close studies across a range of artistic media, this volume brings a fresh understanding of the cognitive underpinnings of iconicity. If primary and secondary modelling systems are rarely studied in tandem, it is clear from this volume that their fruitful juxtaposition yields striking insight into the cognitive concerns that pervade current semiotic research.

Birds of a Feather Psychology Press

Emphasizing the diversity of twentieth-century collage practices, Rona Cran's book explores the role that it played in the work of Joseph Cornell, William Burroughs, Frank O'Hara, and Bob Dylan. For all four, collage was an important creative catalyst, employed cathartically, aggressively, and experimentally. Collage's catalytic effect, Cran argues, enabled each to overcome a potentially destabilizing crisis in representation. Cornell, convinced that he was an artist and yet hampered by his inability to draw or paint, used collage to gain access to the art world and to show what he was capable of given the right medium. Burroughs' formal problems with linear composition were turned to his advantage by collage, which enabled him to move beyond narrative and chronological requirement. O'Hara used collage to navigate an effective path between plastic art and literature, and to choose the facets of each which best suited his compositional style. Bob Dylan's self-conscious application of collage techniques elevated his brand of rock-and-roll to a level of heightened aestheticism. Throughout her book, Cran shows that to delineate collage stringently as one thing or another is to severely limit our

understanding of the work of the artists and writers who came to use it in non-traditional ways.

The Art and Films of Lynn Hershman Leeson Infobase Publishing

A New York Review Books Original The distinguished Croatian journalist and publisher Slavko Goldstein says, "Writing this book about my family, I have tried not to separate what happened to us from the fates of many other people and of an entire country."

1941: The Year That Keeps Returning is Goldstein's astonishing historical memoir of that fateful year—when the Ustasha, the pro-fascist nationalists, were brought to power in Croatia by the Nazi occupiers of Yugoslavia. On April 10, when the German troops marched into Zagreb, the Croatian capital, they were greeted as liberators by the Croats. Three days later, Ante Pavelić, the future leader of the Independent State of Croatia, returned from exile in Italy and Goldstein's father, the proprietor of a leftist bookstore in Karlovac—a beautiful old city fifty miles from the capital—was arrested along with other local Serbs, communists, and Yugoslav sympathizers. Goldstein was only thirteen years old, and he would never see his father again. More than fifty years later, Goldstein seeks to piece together the facts of his father's last days. The moving narrative threads stories of family, friends, and other ordinary people who lived through those dark times together with personal memories and an impressive depth of carefully researched historic details. The other central figure in Goldstein's heartrending tale is his mother—a strong, resourceful woman who understands how to act decisively in a time of terror in order to keep her family alive. From 1941 through 1945 some 32,000 Jews, 40,000 Gypsies, and 350,000 Serbs were slaughtered in Croatia. It is a period in history that is often forgotten, purged, or erased from the history books, which makes Goldstein's vivid, carefully balanced account so important for us today—for the same atrocities returned to Croatia and Bosnia in the 1990s. And yet Goldstein's story isn't confined by geographical boundaries as it speaks to the dangers and madness of ethnic hatred all over the world and the urgent need for mutual understanding.

"An essential guide."--Seattle Post-Intelligencer

Dance to the Piper Univ of California Press

For centuries the lust for wealth and immortality has driven men mad. Now Indiana Jones is called to London to recover an ancient alchemist's manuscript rumored to contain the formula both for turning lead into gold and granting its owner eternal life. Certain that a missing British alchemist and an insane Renaissance scholar are involved in the theft, Indy--along with the alchemist's beautiful sister--travels to Rome, and straight into the hands of Mussolini's fascists. The mad scholar Sarducci has stolen the Voynich Manuscript, all right. But that's only half the story. The manuscript is really a map, leading into the desert and the most ancient and magnificent crypt in the world, where Indiana Jones will either witness an astounding miracle of alchemy--or become the tomb's next inhabitant.

Altered Art John Benjamins Publishing

"Jewelry isn't ordinarily a tool of political persuasion, but in this beautiful book, Madeleine Albright, American ambassador to the United Nations and then the nation's first female secretary of state, tells the compelling story of how these small objects became part of her 'personal diplomatic arsenal.'" — The Chicago Tribune From New York Times bestselling author and former secretary of state Madeleine Albright, *Read My Pins* is a story and celebration of how one woman's jewelry collection was used to make diplomatic history. Part illustrated memoir, part social history, *Read My Pins* provides an intimate look at Albright's life through the brooches she wore. Her collection is both international and democratic—dime-store pins share pride of place with designer creations and family heirlooms. Included are the antique eagle purchased to celebrate Albright's appointment as secretary of state, the zebra pin she wore when meeting Nelson Mandela, and the Valentine's Day heart forged by Albright's five-year-old daughter. *Read My Pins* features more than 200 photographs, along with compelling and often humorous stories about jewelry, global politics, and the life of one of America's most accomplished and fascinating diplomats.

The "boxes" and collages constructed by Joseph Cornell (1903-72)

are among the most intriguing and beguiling works of art made this century. Drawing on the widest range possible of primary material and interviews, author Lindsay Blair gives us the most detailed picture yet of an artist whose boxes were built from a mass of intensely felt personal yearning, attachments, fears, and disappointments. 34 color and 90 b&w illustrations.

Dime-store Alchemy North South Books

An A-to-Z reference to writers of the New York School, including John Ashbery, who is often considered America's greatest living poet. Examines significant movements in literary history and its development through the years.

[The Joseph Cornell Box](#) Carcanet

From one of America's most beloved poets, a piercing new collection reflecting on the characters and encounters that haunt us through this life and into the next. Leading us into a city stirring with gravediggers and beggars, lovers and dogs, Charles Simic returns with a brilliant collection full of his singular wit, dark humor, and tenderheartedness. In poems that are often as spare as they are monumental, he captures the fleeting moments of modern life—peering inside pawnshop windows, brushing shoulders with strangers on the street, and walking familiar cemetery rows—to uncover all the beauty and worry hiding in plain sight. As the poet reflects on a lifetime's worth of pleasure and loss, he recalls instances when he “made excuses and hurried away,” and considers the way memory always trails just behind. *No Land in Sight* is a testament to all we leave in our wake and, simultaneously, all we hang on to: the passing minutes, the evening's stillness, and the many lives we inhabit in dim thresholds and bright mornings alike.

INSTANT NEW YORK TIMES BESTSELLER Named Most Anticipated of 2021 by Newsweek, Good Housekeeping, Hello! magazine, Oprah.com, Bustle, Popsugar, Betches, Sweet July, and GoodReads! March 2021 Indie Next Pick and #1 LibraryReads Pick “A bold, edgy, accomplished debut!” —Kate Quinn, New York Times bestselling author of *The Alice Network* A forgotten history. A secret network of women. A legacy of poison and revenge. Welcome to *The Lost Apothecary*... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to

use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcellwell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time.

Here and There New York Review of Books

The first retrospective of the work of Joseph Cornell in the past 20 years reflects a personal exploration of art and culture that represent his belief in art as an uplifting voyage into the imagination.

A Braided Heart National Geographic Books

A collection of new and selected essays by the Pulitzer Prize-winner and former Poet Laureate. In addition to being one of America's most famous and commended poets, Charles Simic is a prolific and talented essayist. *The Life of Images* brings together his best prose work written over twenty-five years. A blend of the straightforward, the wry, and the hopeful, the essays in *The Life of Images* explore subjects ranging from literary criticism to philosophy, photography to Simic's childhood in a war-torn country. Culled from five collections, each work demonstrates the qualities that make Simic's poetry so brilliant yet accessible. Whether he is revealing the influence of literature on his childhood development, pondering the relationship between food and comfort, or elegizing the pull to return to a homeland that no longer exists, the legendary poet shares his distinctive take on the world and offers an intimate look into his remarkable mind.

[Negotiations: Poems in their Contexts](#) Schocken

Deborah Solomon's definitive biography of Joseph Cornell, one of America's most moving and unusual twentieth-century artists, now reissued twenty years later with updated and extensively revised text. Few artists ever led a stranger life than Joseph Cornell, the self-taught American genius prized for his enigmatic

shadow boxes, who stands at the intersection of Surrealism, Abstract Expressionism, and Pop Art. Legends about Cornell abound—the shy hermit, the devoted family caretaker, the artistic innocent—but never before has he been presented for what he was: a brilliant, relentlessly serious artist whose stature has now reached monumental proportions.

Art Books Routledge

The "boxes" and collages constructed by Joseph Cornell (1903–72) are among the most intriguing and beguiling works of art made this century. Old toys, photos, magazine illustrations, bits of electrical wiring – anything in fact more usually left to molder in lumber rooms or junkshops – were hoarded by him as the elemental materials he needed for his constructions. The finished works are visually entrancing, but the intensely personal webs of reverie and association that determined their content make these boxes at once both oddly familiar yet ineluctably strange.

Drawing on the widest range possible of primary material – virtually all Cornell's scrapbooks and source files, as well as correspondence and diaries – supplemented by further details gathered during more than fifty interviews undertaken with the artist's family and acquaintances, including Robert Motherwell and Susan Sontag, Lindsay Blair gives us the most detailed picture yet of an artist who hid so much of his life from the world. Her conclusion, wholly convincing in the light of the evidence she provides, is that Cornell's ultimate subject was the mind itself.

Joseph Cornell's Dreams Cider Mill Press

A strange little man helps the miller's daughter spin straw into gold for the king, on the condition that she will give him her first-born child.

This well-respected interview series welcomes Charles Simic. The University of New Hampshire poet is widely regarded as one of the most distinctive voices in contemporary American poetry.

Recipient of numerous awards and prizes, Simic answers questions

[Joseph Cornell - Shadowplay Eterniday](#) Harper Collins

From the acclaimed author and scholar James C. Scott, the compelling tale of Asian peoples who until recently have stemmed the vast tide of state-making to live at arm's length from any

organized state society For two thousand years the disparate groups that now reside in Zomia (a mountainous region the size of Europe that consists of portions of seven Asian countries) have fled the projects of the organized state societies that surround them—slavery, conscription, taxes, corvée labor, epidemics, and warfare. This book, essentially an “anarchist history,” is the first-ever examination of the huge literature on state-making whose author evaluates why people would deliberately and reactively remain stateless. Among the strategies employed by the people of Zomia to remain stateless are physical dispersion in rugged terrain; agricultural practices that enhance mobility; pliable ethnic identities; devotion to prophetic, millenarian leaders; and maintenance of a largely oral culture that allows them to reinvent their histories and genealogies as they move between and around states. In accessible language, James Scott, recognized worldwide

as an eminent authority in Southeast Asian, peasant, and agrarian studies, tells the story of the peoples of Zomia and their unlikely odyssey in search of self-determination. He redefines our views on Asian politics, history, demographics, and even our fundamental ideas about what constitutes civilization, and challenges us with a radically different approach to history that presents events from the perspective of stateless peoples and redefines state-making as a form of “internal colonialism.” This new perspective requires a radical reevaluation of the civilizational narratives of the lowland states. Scott’s work on Zomia represents a new way to think of area studies that will be applicable to other runaway, fugitive, and marooned communities, be they Gypsies, Cossacks, tribes fleeing slave raiders, Marsh Arabs, or San-Bushmen.

[Beyond the Analogical Imagination](#) University of Iowa Press
In *Dime-Store Alchemy*, poet Charles Simic reflects on the life and

work of Joseph Cornell, the maverick surrealist who is one of America’s great artists. Simic’s spare prose is as enchanting and luminous as the mysterious boxes of found objects for which Cornell is justly renowned. In a work that is in various degrees biography, criticism, and sheer poetry, Simic tells the story of Cornell’s life and illuminates the hermetic mysteries of his extraordinary boxes-objects in which private obsessions were alchemically transformed into enduring works of art. Simic sees Cornell’s work as exemplifying a distinctively American aesthetic, open to the world, improvisatory, at once homemade and universal, modest and teasing and profound. Full of unexpected riches, *Dime-Store Alchemy* is both an entrancing meditation on the nature of art and a perfect introduction to a major American artist by one of his peers—a book that can be perused at length or dipped into at leisure again and again.
