Sleep, Pale Sister Pearson

Readers of Kate Atkinson, Kate Mosse, Stacey Halls and Eve Chase will love this powerful, atmospheric and blackly gothic depiction of Victorian artistic life from international multi-million copy seller Joanne Harris. Death, love, obsession, sex, murder and magic combine to make a compelling and haunting read... 'A hauntingly evocative laudanum-dream of a novel' -- Time Out 'A very compulsive read' -- ***** Reader review 'Tremendous' -- ***** Reader review 'Real gothic page turner' -- ***** Reader review 'A truly dark, ghostly and powerful read' -- ***** Reader review 'The tension is gripping and kept going to the very end. I read it in one sitting!' -- ***** Reader review

***** Henry Chester, a domineering and puritanical Victorian artist, is in search of the perfect model. In nine-year-old Effie he finds her. Ten years later, lovely, childlike and sedated, Effie seems the ideal wife. But something inside her is about to awaken. Drawn into a dangerous underworld of prostitution, murder and blackmail, she must finally plan her revenge...

Girls are disappearing in Palm Beach County- prostitutes, strippers- girls who don't have a loving home to miss them, who disappear through the cracks. Detective Bryan Nill can't prove it's a serial killer, he just knows it in his gut. But without a witness, he's got nothing. Faith is feeling guilty, she's tried to put that night out of her mind- the girl's face pressed to the window, begging for help. She's tried telling herself she was right to keep the door locked but she wasn't the only one in the car. When Faith's four year old daughter identifies the girl on the news, detective Nill gets his witness. And Faith's life starts to unravel.

Calamity Jayne University Press of Kentucky

In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything

The Athenaeum HarperCollins UK

NEW YORK TIMES BESTSELLER • Turn: Washington's Spies, now an original series on AMC Based on remarkable new research, acclaimed historian Alexander Rose brings to life the true story of the spy ring that helped America win the Revolutionary War. For the first time, Rose takes us beyond the battlefield and deep into the shadowy underworld of double agents and triple crosses, covert operations and code breaking, and unmask the courageous, flawed men who inhabited this wilderness of mirrors—including the spymaster at the heart of it all. In the summer of 1778, with the

war poised to turn in his favor, General George Washington desperately needed to know where the British would strike next. To that end, he unleashed his secret weapon: an unlikely ring of spies in New York charged with discovering the enemy's battle plans and military strategy. Washington's small band included a young Quaker torn between political principle and family loyalty, a swashbuckling sailor addicted to the perils of espionage, a hard-drinking barkeep, a Yale-educated cavalryman and friend of the doomed Nathan Hale, and a peaceful, sickly farmer who begged Washington to let him retire but who always came through in the end. Personally guiding these imperfect everyday heroes was Washington himself. In an era when officers were gentlemen, and gentlemen didn't spy, he possessed an extraordinary talent for deception—and proved an adept spymaster. The men he mentored were dubbed the Culper Ring. The British secret service tried to hunt them down, but they escaped by the closest of shaves thanks to their ciphers, dead drops, and invisible ink. Rose's thrilling narrative tells the unknown story of the Revolution—the murderous intelligence war, gunrunning and kidnapping, defectors and executioners—that has never appeared in the history books. But Washington's Spies is also a spirited, touching account of friendship and trust, fear and betrayal, amid the dark and silent world of the spy.

Punk 57 Random House

How does a blonde spell "Farm"? E-I-E-I-O Tressa Jayne Turner has had it up to here with the dumb-blond jokes and a childhood nickname that's harder to get rid of than her favorite pair of cowboy boots. Thanks to one Rick Townsend, Iowa Department of Natural Resources officer, local hottie, and general pain in Tressa's behind, everyone knows her as "Calamity Jayne". Just because she may be a little accident prone and trouble seems to sometimes find her, Tressa can't get anyone in her small town to take her seriously. That is, until Tressa finds a seriously dead body and an opportunity to get "Ranger Rick" and a skeptical citizenry to see that she's no longer that skinny kid with scraped knees. How? By resurrecting her job as a reporter for the hometown paper and solving a murder no one else believes happened... no one, that is, except the killer. Now Tressa is one not-so-dumb blonde who's out to gain a little hometown respect—or die trying. Calamity Jayne Mysteries: Calamity Jayne - book #1 Calamity Jayne and the Fowl Play at the Fair - book #2 Calamity Jayne and the Haunted Homecoming - book #3 Calamity Jayne and the Campus Caper- book #4 Calamity Jayne in the Wild, Wild West- book #5 Calamity Jayne and the Hijinks on the High Seas- book #6 Calamity Jayne and the Trouble with Tandems- book #7 What critics are saying about the Calamity Jayne Mysteries: "Filled with dumb-blond jokes, nonstop action and rapid-fire banter, this is a perfect read for chick-lit fans who enjoy a dash of mystery." ~ Publishers' Weekly "Fun and lighthearted with an interesting mystery, a light touch of romance and some fascinating characters." ~ RT Book Reviews "Throw in two parts Nancy Drew, one part Lucille Ball, add a dash of Stephanie Plum, shake it all up and you've got a one-of-a-kind amateur sleuth with a penchant for junk food and hot-pink snakeskin cowgirl boots. A word to the wise: if you're prone to laughing out loud when reading funny books, try not to read Calamity Jayne when you're sandwiched between two sleeping passengers on an airplane...sometimes we learn these things the hard way." ~ Chick Lit Cafe "Bacus

provides lots of small-town fun with this lovable, fair-haired klutz and lively story, liberally salted with dumb-blond jokes." ~ Booklist *starred review*

Applied Sociology of Health and Illness Bantam

Two terrifying psychological thrillers from the bestselling author of RETRIBUTION.

Nemesis Harper

We live in a highly connected world with multiple self-interested agents interacting and myriad opportunities for conflict and cooperation. The goal of game theory is to understand these opportunities. This book presents a rigorous introduction to the mathematics of game theory without losing sight of the joy of the subject. This is done by focusing on theoretical highlights (e.g., at least six Nobel Prize winning results are developed from scratch) and by presenting exciting connections of game theory to other fields such as computer science (algorithmic game theory), economics (auctions and matching markets), social choice (voting theory), biology (signaling and evolutionary stability), and learning theory. Both classical topics, such as zero-sum games, and modern topics, such as sponsored search auctions, are covered. Along the way, beautiful mathematical tools used in game theory are introduced, including convexity, fixed-point theorems, and probabilistic arguments. The book is appropriate for a first course in game theory at either the undergraduate or graduate level, whether in mathematics, economics, computer science, or statistics. The importance of game-theoretic thinking transcends the academic setting—for every action we take, we must consider not only its direct effects, but also how it influences the incentives of others.

History of English Drama 1660-1900 Bloomsbury Publishing

Drawing on previously untapped archival materials including letters, interviews, and more, Bernard F. Dick traces the history of Columbia Pictures, from its beginnings as the CBC Film Sales Company, through the regimes of Harry Cohn and his successors, and ending with a vivid portrait of today's corporate Hollywood. The book offers unique perspectives on the careers of Rita Hayworth and Judy Holliday, a discussion of Columbia's unique brands of screwball comedy and film noir, and analyses of such classics as *The Awful Truth*, *Born Yesterday*, and *From Here to Eternity*. Following the author's highly readable studio chronicle are fourteen original essays by leading film scholars that follow Columbia's emergence from Poverty Row status to world class, and the stars, films, genres, writers, producers, and directors responsible for its transformation. A new essay on Quentin Tarantino's *Once Upon a Time...in Hollywood* rounds out the collection and brings this seminal studio history into the 21st century. Amply illustrated with film stills and photos of stars and studio heads, *Columbia Pictures* is the first book to integrate history with criticism of a single studio, and is ideal for film lovers and scholars alike.

Catalogue of the Public Library of the City of Jackson, Michigan. ... University Press of Kentucky

A serial killer thriller to rival those of Kathy Reichs, Patricia Cornwell, and Karin Slaughter. A terrifying second novel from Jillian Hoffman, author of top ten best-selling debut *Retribution* . . . 'Like Patterson or Cornwell, Hoffman creates vivid, engrossing crime investigations' *Time Out* *** **EVIL SEES YOU** Two years ago William Bantling was put on death row by Florida's Assistant State Attorney, CJ Townsend - for the torture and murder of eleven young women. **EVIL HEARS YOU** Now three cops crucial to Bantling's conviction have been brutally slain. CJ knew them all - and the shocking secret they took to their graves. **EVIL KNOWS YOU** But it's clear that somebody else also

knows the truth - though their reasons for wanting it kept quiet are very different to CJ's. Which leaves her with a terrifying choice: reveal the secret she swore to keep and stay alive - or be its last witness, and the next to die . . . *** Praise for Jillian Hoffman: 'Intensely readable' *Guardian* 'Grim and gripping' *Crimespree* 'Writes like an angel' *Independent on Sunday* 'Hugely readable' *Daily Mirror* Jilliane Hoffman was an Assistant State Attorney between 1992 and 1996. Until 2001 she was the regional advisor for the Florida Department of Law Enforcement advising special agents on complex investigations including narcotics, homicide and organised crime. She lives in Florida and is the author of *Retribution*, *Last Witness*, *Plea of Insanity* and *Pretty Little Things*.

The Irish Law Times and Solicitors' Journal Penguin UK

Teil 4 der Cupido-Reihe. Ein Blitz in einem Kreis, eingebrannt in die Haut der Toten: Als Staatsanwältin CJ Townsend das Branding auf der Schulter der Frauenleiche sieht, ist sie sicher: Das ist die Handschrift des Snuff-Clubs, der vor einigen Jahren ganz Florida in Atem hielt. Die Mitglieder bezahlen viel Geld, um per Live-Stream zu beobachten, wie Frauen brutal vergewaltigt und getötet werden. CJ weiß alles über die perverse Inszenierung der Morde, von den Teilnehmern "das Spiel" genannt. Und sie kennt die Namen der Mitglieder, zu reich und einflussreich, um jemals von der Justiz belangt zu werden. Wenn sie weitere Morde verhindert will, muss CJ das Gesetz in die eigenen Hände nehmen. Dann verschwindet erneut eine junge Frau...

Secretaries and chiefs of staff of the United States Air Force Rowohlt Verlag GmbH

One terrible night in New York City, brilliant law student Chloe Larson is brutally attacked in her own home and her life is changed forever . . . LIFE or DEATH? Twelve years later and calling herself CJ, she's a State Attorney in Florida when the hunt for a sadistic serial killer called Cupid appears to be over. But for CJ, the terror is only just beginning . . . KILLER or VICTIM? Because if Cupid is the same man who left her former self for dead all those years ago, the price of vengeance might be her career and her sanity. But if he isn't, the truth could cost CJ a whole lot more . . . JUSTICE or RETRIBUTION?

When thirteen-year-old Lainey fails to come home from a night out with friends, her disappearance is dismissed by the Coral Springs Police Department as just another disillusioned South Florida teen running away from suburban drama and an unhappy ...

[Plea of Insanity](#) CRC Press

The chilling new psychological thriller from the bestselling author of *Retribution* and *Pretty Little Things*

Columbia Pictures American Mathematical Soc.

Nicoll's History, which tells the story of English drama from the reopening of the theatres at the time of the Restoration right through to the end of the Victorian period, was viewed by *Notes and Queries* (1952) as 'a great work of exploration, a detailed guide to the untrodden acres of our dramatic history, hitherto largely ignored as barren and devoid of interest'.

Pretty Little Things Cambridge University Press

Praise for the First Edition: "A real, combined approach of behavioural, social, biomedical, and clinical sciences is paramount. [This book] is one pioneering example of such integration, bridging core sociology with medical education." - Dikomitis L, Wenning B, Ghobrial A, and Adams K.M.

(2022). Embedding behavioural and social sciences across the medical curriculum: (Auto) ethnographic insights from medical schools in the United Kingdom. *Societies*, 12, 101.

"Constantinou's book not only contributes to bridging the gap between theoretical sociology and medical education, it also contributes to the way we teach a new generation of students - how to understand patients in context, how to treat them with respect and, ultimately, how to be a better medical doctor." - Andrea Stockl from her Foreword to the First Edition Comments from Medical Students: "Ignorance is not just lack of knowledge but lack of implementing knowledge gained'. I encourage everybody going into a clinical and general work setting to read this book and implement." "I believe this book is the key to unlocking the minds of medical students in viewing illness as not only physical and emotional also as social experience." "I believe everyone should read this book, especially medical students and practitioners who wish to become all-round competent and understanding doctors." "The better you understand your patient's illness and his/her suffering, the healthier you can make him/her - this book teaches this important skill." This popular and accessible text continues to cover the basic principles of the sociology of health and illness in an eminently readable way. This fully revised second edition has been inspired, informed, and reviewed by medical students. By creatively employing a problem-based learning approach, the book examines commonly covered topics integrating underlying principles and research findings through real-life stories. The book investigates the relevance of sociology and considers a new direction - one that places sociology in the context of healthcare settings, making the topic more realistic, useful, and memorable. The book will be an invaluable companion for medical students throughout undergraduate studies and is also a useful reference for students in nursing, social work, psychology, and sociology, as well as qualified doctors and healthcare practitioners.

[Publishers' Weekly](#) [ReadHowYouWant.com](#)

Taking a global look at human occupation, this groundbreaking text comprehensively explores people's participation in their respective lives' endeavors within their environments, their societies, and with each other. A renowned team of authors takes the view that occupations include all meaningful acts that collectively define and give meaning to daily life. This resource communicates a breadth of new information on the study of occupation-the defining experiences that reflect how culture, values, and opportunities shape everyday life."

Washington's Spies HarperCollins UK

By 1926, it seemed that John R. Brinkley's experimental rejuvenation cure—transplanting goat glands into aging men—had taken the nation by storm. Never mind that "Doc" Brinkley's medical

credentials were shaky at best and that he prescribed medication over the airwaves via his high-power radio stations. To most in the medical field, he was a quack. But to his many patients and listeners, he was a brilliant surgeon, a savior of their lost manhood and youth. His rogue radio stations, XER and its successor XERA, eventually broadcast at an antenna-shattering 1,000,000 watts and not only were a megaphone for Brinkley's lucrative quackery but also hosted an unprecedented number of then-unknown country musicians and other guests. The Bizarre Careers of John R. Brinkley tells the story of the infamous "Goat Gland Doctor"—a controversial medical charlatan, groundbreaking radio impresario, and prescient political campaigner—and recounts his amazing rags-to-riches-to-rags career. A master manipulator and skilled con artist, Brinkley left behind a patchwork of myths and unreliable personal accounts that many writers have merely perpetuated—until now. Alton Lee brings Brinkley's infamous legacy to the forefront, exploring how he ruthlessly exploited the sexual frustrations of aging men and the general public's antipathy toward medical doctors. Lee leaves no stone unturned in this account of a man who changed the course of American institutions forever.

Game Theory, Alive DIANE Publishing

The prosecutor- Julia Valenciano. Young, ambitious and facing a case that could launch her career. The defendant - David Marquette. A successful Miami surgeon and devoted family man. The victims - Marquette's own wife and three small children. The plea- Not Guilty by Reason of Insanity. But the state suspects Marquette's insanity defence is being fabricated to disguise murders that were cold-blooded and calculated. Worse, Julia believes Marquette could be responsible for a string of unsolved, brutal homicides. The distraught survivor could just be one of the most prolific and elusive serial killers in Florida's history. The trial will take Julia on a painful personal journey back to a past she has struggled for fifteen years to forget. And it will bring her face to face with a future that is so frightening, she's not sure if she even wants to see it.

The London Review of Politics, Society, Literature, Art, & Science Gemma Halliday Publishing

In this deeply moving and life-affirming tale, a mother must nurture her five-year-old son through an unfathomable situation with only the power of their imagination and their boundless capacity to love. Written for the stage by Academy Award® nominee Emma Donoghue, this unique theatrical adaptation featuring songs and music by Kathryn Joseph and director Cora Bissett takes audiences on a richly emotional journey told through ingenious stagecraft, powerhouse performances, and heart-stopping storytelling. *Room* reaffirms our belief in humanity and the astounding resilience of the human spirit. This updated and revised edition was published to coincide with the Broadway premiere in Spring 2023.
