FRENCH EDITION. For over sixty-five years Antoine de Saint-Exupéry's *The Little Prince* has captured the hearts and minds of its readers. The whimsical story with a fairy tale touch has sold over 80 million copies in 230 languages. This exciting graphic adaptation features beautiful, new artwork by Joann Sfar. Hand-chosen by Saint-Exupéry's French publishers for his literary style and sensitivity to the original, Sfar has endeavored to recreate this beloved story, both honoring the original and stretching it to new heights. A vibrant, visual gift for longtime fans and those experiencing the story for the first time.

**The Little Prince** □□□□□□□□

An anniversary edition of the classic tale of a little prince's adventures among the stars includes collected information about the making of the story using sketches, original reviews, and details into the author's life and work.

*The Little Prince* Houghton Mifflin Harcourt

"Broken down in the Sahara Desert, a pilot meets an extraordinary Little Prince, travelling across time and space to bring peace to his warring planet. Inua Ellams' magical retelling of the much loved story by Antoine de Saint-Exupéry turns the Little Prince into a descendant of an African race in a

parallel galaxy. His journey as a galactic emigrant takes us through solar systems of odd planets with strange beings, addresses climate change and morality, and shows how even a little thing can make a big difference"--About the play.

*The Little Prince* Hachette UK

'WITTY, HUMANE, LEARNED' NEW YORK TIMES The New York Times-bestselling author offers a stirring defence of liberalism against the dogmatism of our time Not since the early twentieth century has liberalism, and liberals, been under such relentless attack, from both right and left. The crisis of democracy in our era has produced a crisis of faith in liberal institutions and, even worse, in liberal thought. *A Thousand Small Sanities* is a manifesto rooted in the lives of people who invented and extended the liberal tradition. Taking us from Montaigne to Mill, and from Middlemarch to the civil rights movement, Adam Gopnik argues that liberalism is not a form of centrism, nor simply another word for free markets, nor merely a term denoting a set of rights. It is something far more ambitious: the search for radical change by humane measures. Gopnik shows us why liberalism is one of the great moral adventures in human history--and why, in an age of autocracy, our lives may depend on its continuation.

**The Pilot and the Little Prince** Wm. B. Eerdmans Publishing

A stunning hardback gift edition of one of the world's most beloved stories. The timeless, enchanting story of the little prince who lives on a tiny planet with three volcanoes and a haughty flower, which he must protect from the baobabs, the bad seeds. The rulers of the other planets he visits all suffer from the cares and stupidities of the everyday world. Only the little prince, through his clear, loving eyes, knows that the simplest of things can be of the utmost importance. Translated by T. V. F. Cuffe the story is complete and unabridged.

*The Little Prince - Le Petit Prince (English - French) Dual Language Edition* Penguin Classics

Follow *The Little Prince* as he travels from Asteroid B-612 to Planet Earth. This re-telling of Antoine de Saint-Exupéry's classic novella focuses on the Little Prince's relationships with the people and places he comes across on his adventure. Illustrations from the original work are joined by new designs, showing the Little Prince as he flies his plane, watches the sunset with the Fox, and spends time with his beloved Rose. "*The Little Prince for Young Children*" also provides a learning opportunity, with the original French text accompanying each English paragraph.

*Meet the Little Prince (Padded Board Book)* Clarion Books

Antoine de Saint-Exupéry's *The Little Prince* remains one of the most treasured books of all time.

This commemorative kit includes: 3" light-up collectible of the Prince's cherished rose, set under a clear dome and on a base bearing the story's most famous quote: "It is only with the heart that one can see rightly; what is essential is invisible to the eye." 32-page book of quotes and full-color artwork from *The Little Prince*

**The Night Box** National Geographic Books

Originally published in 2008 by Gallimard Jeunesse.

*The Little Prince* Simon and Schuster

The Little Prince [Le Petit Prince], is a novella and the most famous work of the French aristocrat, writer, poet and pioneering aviator Antoine de Saint-Exupéry (1900-1944). The novella is both the most-read and most-translated book in the French language, and was voted the best book of the 20th century in France. After the outbreak of the Second World War Saint-Exupéry became exiled in North America. In the midst of personal upheavals and failing health, he produced almost half of the writings for which he would be remembered, including a tender tale of loneliness, friendship, love and loss, in the form of a young prince fallen to Earth. An earlier memoir by the author had recounted his aviation experiences in the Sahara Desert, and he is thought to have drawn on those same experiences in *The Little Prince*. Since its first publication in the United States, the novella has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film screen, television, ballet, and operatic works. *The Little Prince* is a poetic tale, with watercolour illustrations by the author, in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid. The story is philosophical and includes social criticism, remarking on the strangeness of the adult world. It was written during a period when Saint-Exupéry fled to North America subsequent to the Fall of France during the Second World War, witnessed first hand by the author and captured in his memoir *Flight to Arras*. The adult fable, according to one review, is actually .."an allegory of Saint-Exupéry's own life--his search for childhood certainties and interior peace, his mysticism, his belief in human courage and brotherhood.... but also an allusion to the tortured nature of their relationship." Though ostensibly styled as a children's book, *The Little Prince* makes several observations about life and human nature. For example, Saint-Exupéry tells of a fox meeting the young prince during his travels on Earth. The story's essence is contained in the lines uttered by the fox to the little prince: *On ne voit bien qu'avec le coeur. L'essentiel est invisible pour les yeux.* ("One sees clearly only with the heart. What is essential is invisible to the eyes.") Other key thematic messages are articulated by the fox, such as: *Tu deviens responsable pour toujours de ce que tu as apprivoisé.* ("You become responsible, forever, for what you have tamed.") and *C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante.* ("It is the time you have lost for your rose that makes your rose so important.") The fox's messages are arguably the book's most famous quotations because they deal with human relationships. ABOUT AUTHOR: Antoine de Saint-Exupéry, officially Antoine Marie Jean-Baptiste Roger, comte de Saint Exupéry (29 June 1900 - 31 July 1944) was a French aristocrat, writer, poet, and pioneering aviator. He became a laureate of several of France's highest literary awards and also won the U.S. National Book Award. He is best remembered for his novella *The Little Prince* (*Le Petit Prince*) and for his lyrical aviation writings, including *Wind, Sand and Stars* and *Night Flight*.

[The Little Prince for Young Children](#) Fingerprint! Publishing

My book, *The Return of The Little Prince*, is a sequel to the marvelous and whimsical story of my uncle Antoine De Saint-Exupery, *The Little Prince*, where myth and poetry mix with reality and speak to us of the eternal in such an innocent manner. Both his story and mine are true. They are real stories of a quest to find that invisible spark of life which gives meaning to all there is. I learned the story from within, it was my aunt Consuelo De Saint-Exupery, an extraordinary person and the inspiration of Saint-Ex, the Rose of his story, who taught me to read, not only French in *The Little Prince*, but the essence of it as well. She talked to me about Saint-Ex, his dream world, of his

airplane flights, of his moonstruck reveries, his airplane falls and the spirit that helped him survive them! Everything in that book was an integral part of what later happened to me and helped me to find that secret that now illumines my life. I remember. . . when I was a little girl, maybe six years old, I learned to read. . . know. . . and love the Little Prince. Later on, I learned that many others also did; it was, I believe, the bedside book of James Dean. I never knew him personally, but I read in an interview of a movie magazine that he said *The Little Prince* was his Bible. . . and I wondered if what drew him to it was the same thing that I loved about it? What I loved best was the invisible hidden in between such simple words and its childlike drawings, for concealed behind the fairytale there was a road map to a true spiritual experience. Whenever I read the last page of my uncle's book, I was moved by his sadness and felt a sense of urgency within me to find that lonely star landscape. So, I promised myself that one day I would find the Little Prince and let Saint-Ex know that he was back. Consequently, since early in life, I learned to close my eyes, open my heart and. . . began my quest. This tale is the fruit of my search. It has a happy ending as all good fairy tales have, for it happened that one day. . . when I least expected it. . . I found the Little Prince! Thus, I wrote this book, both as a direct answer to my uncle's plea, to share the good news with all those who love *The Little Prince* and as an invitation to quest to all those who long to find their reality. I have followed the same format of my uncle's book and also utilized the same style of drawings, wrapping my own story of how I searched and found the Little Prince with as much similarity as possible to that of his book, for a very good reason: I couldn't have done it in any other way, for I have loved *The Little Prince* since I was a child. My reason has been one of love, not arrogance, so please exempt me from the harshness of comparison if you are inclined to do so.

*The Little Prince* Pushkin Children's Collection

A NEW TRANSLATION BY MICHAEL MORPURGO, AUTHOR OF *WAR HORSE* If a little fellow comes along, if he laughs, if he has golden hair, and if he never answers questions, then you will know who he is. He is the Little Prince, the mysterious, innocent and beautiful boy who appears to a pilot stranded in the desert and makes an extraordinary request. He has journeyed to our planet from his home among the stars, encountering all sorts of peculiar grown-ups along the way, and a fox who teaches him to see the important things in life. But the Prince has left behind a flower growing on his star, a rose which is his treasure and his burden, and before long he must return to it. Master storyteller Michael Morpurgo, author of *War Horse*, has translated what is for him 'one of the greatest stories ever written' so that more English readers might discover the joy of reading this enchanting fable. *The Little Prince* is a story for everyone, for children and grown-up children, for kings, geographers and lamp-lighters, even for the very serious and the very wise.

*The Little Prince (ESL/EFL Version with Audio)* AuthorHouse

It's the Sahara Desert, and a pilot has crashed his plane. When suddenly a young boy-- with golden hair and a loveable laugh, and who claims to have fallen to Earth-- appears before him and asks him to draw a sheep, what does he do? He draws it! Thus begins this poetic and sublime adventure, an enchanting fable, which encloses in its heart the teachings of love, loss, loneliness, and friendship.

*The Little Prince* Classics Press

The little prince introduces himself and talks about his tiny planet and his beautiful flower.

*The Little Prince* Clarion Books

The Little Prince recounts the relationship between an adult and a child. The adult is an aviator who has crash landed in the Sahara desert. The child is a golden-haired prince who has arrived on Earth after taking a circuitous route from his home on a distant asteroid. The prince's tales of sheep and baobab trees and roses and the inhabitants of miniscule planets reveal many truths about the absurdness of the adult world. Caroline Gourmand's beautiful new illustrations enhance a text which oscillates between narrative and dialogue, and between the language of an adult and the language of a child. It is truly unfortunate that we can never know how Antoine de Saint Exupéry would have wanted his book to be interpreted, but he has graciously bequeathed us with the simplest of means to reflect on life, love and mortality. For children aged 8 and upwards.

**The Anguished and the Enchanted** Houghton Mifflin Harcourt

In 1942, famed French aviator and author, Antoine de Saint-Exupéry was looking for a quiet place to write and complete his book, The Little Prince. He found it in a mansion on Long Island near the village of Northport. Only a few people knew the details of what happened while Saint-Exupéry was writing his masterpiece. One was Adele Breaux, the French teacher from Northport High School whom Saint-Exupéry hired to teach him English. Many years later, Adele set out to write a book to record the facts of those details for the world to know and remember. However, in doing so, she left

out the most important fact of all -- she fell in love. Inspired by the memories and recollections from three of Adele's closest friends, this story is unique in that there is little information available about the time Saint-Exupéry was writing The Little Prince. Adele Breaux, being one of Saint-Exupéry's few yet frequent visitors to the mansion, saw first-hand his master work in progress, and came to know him well during that time. Those months in 1942 that Adele shared with Saint-Exupéry were something she spoke often with to her friends, well into her declining years. It was obvious to them that he had more than made a significant impression on her life. He had her heart."

**Discovering the Hidden Wisdom of The Little Prince** National Geographic Books

"The most beautiful things in the world cannot be seen or touched, they are felt with the heart." After crash-landing in the Sahara Desert, a pilot encounters a little prince who is visiting Earth from his own planet. Their strange and moving meeting illuminates for the aviator many of life's universal truths, as he comes to learn what it means to be human from a child who is not. Antoine de Saint-Exupéry's delightful book has been translated into over 180 languages and sold over 80 million copies. This Macmillan Collector's Library edition features a specially commissioned new translation by Ros and Chloe Schwarz, as well as the charming original illustrations by Saint-Exupéry himself, coloured by Barbara Frith, one of England's leading colourists. It's a book that will enchant both children and adults alike.
