*Rules of Engagement for Spiritual War* Baker Books  
 Evidence that evil is flourishing faces Christians every day, leaving many feeling hopeless and helpless. What they don't realize, says esteemed pastor Jack Hayford, is the power that is theirs through the cross. Instead, they labor under the misconception that spiritual warfare occurred only during biblical times. But it is right here, right now, says Pastor Jack. And for the first time he lays out the strategies he's learned for engaging and defeating evil--through prayer. With clarity and passion, he shows readers how to • develop powerful devotional habits • engage in intercession • plead the blood of Christ • understand the correct use of binding and loosing • confront evil • learn why some prayers don't succeed • and much more When believers embrace the cross's power, they will stand up in hope and light against the evil of this world, penetrating even the deepest places where the enemy's darkness dwells.

 Written for the spiritually-minded woman, *Spiritual Rules* describes how Kabbalah views relationships and what makes them work (or not work); and reveals that it is the woman who holds the power to determine the outcome. The book explains the spiritual reasons behind the different ways that men and women think and act in a relationship. And who better to reveal to women the secrets of men and marriage than a kabbalist? Author

Yehuda Berg is not just any man, but a kabbalistic teacher who regularly provides counsel to hundreds of individuals and couples, and who is happily married himself. His book is based on the principles of Kabbalah, but the ideas and methods he presents will resonate with people of all backgrounds. This is not a book of dating tips, although its rules do work. They have to work: They are the Laws of the Universe. You will learn about the Law of Attraction (Like attracts Like), and about the Vessel and the Light and their respective roles. You'll find the true meaning of the term "soul mate;" and why it is that your soul mate has to find you, not the other way around.

Do you behave on social media as the Christian you want to be? Are you dismayed at the often divisive and cruel exchanges you read online? In *#Rules\_of\_Engagement*, Ann M. Garrido shares eight practical habits that will help you align your activity in the digital world with the call of the Gospel to be Christ's presence in the world. Popes Benedict and Francis have called upon Christians across the globe to embrace the internet as a new "digital continent" and think of it as mission territory, a place where we can—with careful thought and discipline—accomplish enormous good. Even as we strive to be faithful to our Christian values, many of us still show up on social media and behave in ways unbecoming a follower of Jesus Christ. Rather than practicing compassion, truth, honesty, and communion online, we sometimes are mean-spirited, inflammatory, and untruthful. Garrido tackles the problem head-on by providing practical tools, theological guidance, and spiritual inspiration for being the

person God wants you to be online. Garrido offers eight practices, rooted in Catholic tradition and teaching, that will help you avoid doing harm, and instead equip you to be a force for good through your social media presence and activities: clarify your purpose know your sources understand bias value the person lead with curiosity talk about intent and impact privilege face-to-face encounter manage your energy The book includes simple exercises to help you assess your social media behaviors and integrate Garrido's suggestions into your online communications as well as the opportunity to join a community of concerned Christians striving to live these habits.

You are what you love. But you might not love what you think. In this book, award-winning author James K. A. Smith shows that who and what we worship fundamentally shape our hearts. And while we desire to shape culture, we are not often aware of how culture shapes us. We might not realize the ways our hearts are being taught to love rival gods instead of the One for whom we were made. Smith helps readers recognize the formative power of culture and the transformative possibilities of Christian practices. He explains that worship is the "imagination station" that incubates our loves and longings so that our cultural endeavors are indexed toward God and his kingdom. This is why the church and worshiping in a local community of believers should be the hub and heart of Christian formation and discipleship. Following the publication of his influential work *Desiring the Kingdom*, Smith received numerous requests from

pastors and leaders for a more accessible version of that book's content. No mere abridgment, this new book draws on years of Smith's popular presentations on the ideas in *Desiring the Kingdom* to offer a fresh, bottom-up rearticulation. The author creatively uses film, literature, and music illustrations to engage readers and includes new material on marriage, family, youth ministry, and faith and work. He also suggests individual and communal practices for shaping the Christian life.

In his debut collection of short stories, Robert Sheehan disappears into characters, challenging the complacencies of everyday experience, often from entirely unexpected angles. Dark and provocative, the collection will stay with the reader long after the book is finished. Warning: Contains Adult Content

Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, *When Heaven Invades Earth* and *The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. 2Cor.10:3-4 Today, the church has neglected to teach about the spiritual realm, for fear of being judged archaic. It has denied a key Scriptural truth: that the whole world is under the control of Satan. The church has forgotten that angels were created to serve God's people. It has also rejected the authority Christians have as ambassadors of Christ. Finally, the church has sacrificed its power to impact the world in order to gain credibility with the world. People have chosen the religion of science. Consequently, if science and Scripture disagree, even people within the church believe science to be the truth. There are three main pillars in science: observable, repeatable, and irrefutable. Any scientific fact must fulfill these pillars to be presumed true. Since the spiritual realm is invisible and not observable, science deems that this realm does not exist. When the spiritual realm manifests itself in an event, science excuses the anomaly to be something they have yet to understand. The Scriptures teach that Christians have overcome sin, Satan, and the world. Through the Holy Spirit, we can discern both the spiritual realm's presence and its activities. We are not called to be demon-slayers, but we are called to engage the enemy in order to bring freedom and wholeness to people. The Bible teaches that a war exists between Satan's kingdom and God's kingdom. Every war has "Rules of Engagement." The purpose of this book is to identify the spiritual realm, recognize its methods of operation, and ultimately learn the rules that enable us to effectively engage our enemy Satan.
